

THE MAURITIUS SUGAR SYNDICATE

BONSUCRO POLICY

All sugar cane planters and millers in Mauritius, are members of the Mauritius Sugar Syndicate (MSS), the marketing arm of the Mauritian sugar industry.

In fulfillment of this role, MSS is also committed to promoting and implementing programs that improve the sustainability of the Mauritian sugar cane industry and that of its partners and service providers.

Adoption of the Bonsucro Mass Balance Chain of Custody (ChoC) will enable MSS to further refine its traceability mechanisms from producer to client and assure that claims of compliance can be tracked along the supply chain.

MSS takes commitment to fully embrace Bonsucro sustainability principles and engages itself to pursue the continuous improvement of its business activities. MSS furthermore undertakes to communicate this policy to its personnel, service providers and other stakeholders.
