The legacy of Mauritius Sugar

**MAURITIUS
SUGAR
SYNDICATE**

The custodian of Mauritius' *finest sugars*

Over a Century of Excellence. Rooted in Mauritius.

Since 1919, the Mauritius Sugar Syndicate (MSS) has united the island's cane growers and millers with a shared ambition: to bring the finest Mauritius Unrefined Cane Sugar to the world.

At the heart of our mission is a unique collective model, dedicated to maximising net proceeds from sugar sales for the benefit of our growers and millers, ensuring the long-term sustainability of the Mauritian sugar industry. Shaped by our island's distinctive terroir and generations of sugar-making expertise, our sugars embody exceptional quality, authentic origin and a rich heritage.

Our Geographical Indication (GI) certification

*Protecting our origin.
Preserving our heritage.*

In December 2024, Mauritius Unrefined Sugar achieved Geographical Indication (GI) recognition in Mauritius, marking a major milestone in protecting its origin, authenticity and distinctive identity. Rooted in Mauritius' unique terroir, centuries of sugarcane cultivation and generations of manufacturing expertise, this recognition reinforces our commitment to quality and traceability. MSS continues to pursue international recognition to safeguard Mauritius Unrefined Sugar's identity and strengthen its position in global markets.

Beyond this distinction

The MSS also holds certifications in Food Safety, Fairtrade and other key food regulations.

BRCGS

Brand Reputation through Compliance Global Standards is a leading global quality and safety certification program that sets rigorous benchmarks for food safety, packaging, storage, and supply chain distribution

Halal

The MSS operates in accordance with the standards set by the Islamic Council.

Bon Sucro

As the proud winner of the Inspire Award 2026 for **Best Value Chain Initiative**, the MSS is recognised for its efforts to advance sustainability across Mauritius' sugarcane value chain, and for its commitment to meeting the purchasing standards of leading sugar buyers.

Kosher

The Syndicate also complies with kashrut standards (the Jewish dietary laws) as prescribed by the Shulchan Arukh.

Fair Trade

FAIR TRADE connects consumers, businesses and producers, promoting fairer prices, decent wages and better working conditions across developing countries.
